Inspiring Conversations with Women Professors
The Many Routes to Career Success

Dr. Anna M. Garry

ISBN: 978-0-12-812346-1

This book presents female role models and makes visible excellent women professors, showing a range of routes to professorship. There are conversations with 23 female professors, two-thirds working at ETH Zürich - giving their experience and advice for young researchers on how they became professors and managed their careers.
